Dress Code

Theme: South of France

(Pinterest is your bestie!)

Think **bright tones, playful frills, soft textures, and effortless elegance**. Linen suits in shades of **pink, salmon, or sand** are highly encouraged—have fun with it!

Ladies, please consider **comfortable heels or block heels**, as this is a **garden wedding with cobblestone flooring**. The Cape Town weather can be unpredictable—especially nestled between the mountains—so we recommend bringing a **light cardigan or wrap**, just in case.

Dress Code Guide Highlights

- **No white, black, blue, or plain pastel colours**

Gentlemen:

- **No black suits or tuxedos**
